

EU Declaration of Conformity for Packaging under PPWR (Regulation (EU) 2025/40)

Basic information on the packaging material and its component materials			
1	Packaging material name / Registered trademark / Model number	Kraft Paper Dunnage Air Bags	
2	Packaging type	Transport packaging	
3	Single-use or Reusable	Reusable	
4	Primary Material(s)	kraft paper, Polyethylene	
5	Intended Use / Product Category	Fill gaps inside container, Stop cargo shifting, anti-collision/Indirect food contact packaging	
6	Description (Incl. dimensions, materials, gross weight):	Please find the details list in attachment	
Substances of concern (PPWR Article 5)			
1	Intentional use of heavy metals (Pb, Cd, Hg, Cr ⁶⁺)	Select from drop-down menu: Yes / No	No
2	Confirmed total heavy metals content ≤ 100 mg/kg	Select from drop-down menu: Yes / No	Yes
3	Contains SVHC above 0.1% (Optional)	Select from drop-down menu: Yes / No / Not applicable	No
4	Intentional use of PFAS (Mandatory for food-contact packaging)	Select "Not applicable" for non-food-contact packaging; select Yes / No for food-contact packaging	Not applicable
5	Confirmed PFAS concentration below thresholds (Mandatory for food-contact packaging)	Limits: Single PFAS ≤25ppb, Total PFAS ≤250ppb, Total organic fluorine ≤50ppm; select "Not applicable" for non-food-contact packaging	Not applicable
Supporting documents for regulatory compliance			
1	Heavy metals test report	Yes	
2	PFAS test report (if applicable)	No	
3	Material specification / Other technical documents	No	
Recyclability (PPWR Article 6) (Optional)			
1	Designed as recyclable packaging	Select from drop-down menu: Yes / No	
2	Design/evaluation per EN 13430:2004	Select from drop-down menu: Yes / No	
3	Designed as reusable packaging	Select from drop-down menu: Yes / No	
4	Design/evaluation per EN 13429:2004	Select from drop-down menu: Yes / No	
5	Other remarks	Fill in if there are any other matters to be informed	

The supplier hereby declares that the above information is true and accurate, the provided packaging materials fully comply with the mandatory requirements of EU PPWR Regulation (EU) 2025/40, all compliance documents are genuine and valid, and shall bear full relevant legal responsibility.

Supplier Name (Stamp): Dongguan OEMSERV Cargo Security Products Co., Ltd.

Authorized Signatory: B.H.

Job Title: General Manager

Date: 2026-07-17
